# SYNTHETIC SIGNAL

## Fluorescing Fire-Fighting hose

Multi purpose lay flat hose especially for fire-fighting operations. Outside 100% high tenacity, colour dyed polyester yarn for better visibility. Circular woven twill-weave, warp threads 3-ply twisted for high abrasion resistance. Inner liner made out of a vulcanized high quality EPDM compound.

### ADVANTAGES

- Supreme visibility even in smoke filled rooms and in darkness
- Colour proof
- Lightweight lay flat hose
- High aging resistance
- Resistance to abrasion
- Cold-resistant up to -40°C
- Heat-resistant up to +100°C
- Easy maintenance and handling

### APPROVALS

- DIN 14811 Class 1 L1
- ÖNORM F 2106

### SERVICE

- Standard colours yellow and orange, other colours on request
- Individual marking available
- Binding with international couplings available on request
- Other diameters on request
- Available in lengths up to 1000 m depending on diameter
