

## Šroubení z mosazi

- řada šroubení pro rozvody stlačeného vzduchu, svářecí techniku a další řemeslnické a průmyslové aplikace
- vyrobené z čisté mosazi MS58
- pracovní tlak 10 bar

| Obj. č.                                                      | Rozměr       |
